CBP-2019-081702

Dear Mr. Michael Morisy:

This notice acknowledges receipt of your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP) received on 09/03/2019 requesting a copy of the software used to train Predator Drone pilots, including any compiled binaries as well as the source code for this training software as well as the contract under which this software was developed.

Please use the following unique FOIA tracking number CBP-2019-081702 to track the status of your request. If you have not already done so, you must create a FOIAonline account at <https://foiaonline.gov>. This is the only method available to check the status of your pending FOIA request.

Provisions of the Act allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS FOIA regulations outlined on the DHS website, <https://www.federalregister.gov/documents/2016/11/22/2016-28095/freedom-of-information-act-regulations>. By submitting your request, you have agreed to pay up to \$25.00 in applicable processing fees, if any fees associated with your request exceed this amount, CBP shall contact you; however, the first 100 pages are free.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Consistent with 6 C.F.R. Part 5 §5.5(a) of the DHS FOIA regulations, CBP processes FOIA requests according to their order of receipt. Although CBP's goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances pursuant to 6 C.F.R. Part 5 §5.5(c).

CBP's FOIA Division is working hard to reduce the amount of time necessary to respond to FOIA requests. We truly appreciate your continued patience.

For additional information please consult CBP FOIA website please click on [FOIA Act Resources](#) or visit <http://www.cbp.gov/site-policy-notices/foia>.

Sincerely,

U.S. Customs and Border Protection
